

# Planning and Zoning Initiative

New York State Office for the Aging ★ New York State Department of State

## Participate Further in the Initiative

We would like to involve many people in implementing the Planning and Zoning Initiative. Your expertise and experience would be valued as the Initiative progresses.

**Please check all the areas in which you would like to participate:**

1. \_\_\_ **Email group:** I wish to be included in the email group, which has been created to keep people updated on the Initiative's progress and to solicit voluntary suggestions and ideas about the Initiative's materials and activities.
  
2. \_\_\_ **Author:** I would like to write the description, benefits, and impediments/challenges portions of the guidelines manual for the following alternatives or strategies:  
\_\_\_\_\_  
(for example, senior co-housing, or cluster zoning). If you write any parts of the guidelines manual, your name will listed as the author of the part(s) you write.
  
3. \_\_\_ **Technical assistance contact:** I am agreeable to having my name listed in the guidelines manual as a technical assistance resource (on a reasonable limited basis) for groups or communities to contact if they want to replicate or adapt the following alternatives or strategies:  
\_\_\_\_\_
  
4. \_\_\_ **Identify other experts:** I can help identify the names of other experienced or expert individuals who can be contacted to have their names listed as technical assistance experts in the manual, or who could be resources for the DVD series— for the following alternatives or strategies:  
\_\_\_\_\_
  
5. \_\_\_ **Model zoning language:** I can help identify model zoning language being used in a location in New York or another state— for the following alternatives or strategies:  
\_\_\_\_\_
  
6. \_\_\_ **Successful strategies or techniques:** I can help identify successful uses of planning or land-use strategies, energy efficiency features, energy alternatives, or green building techniques being:  
\_\_\_\_\_
  
7. \_\_\_ **Resources:** I can help identify written or Web resources that can be listed in the manual as technical assistance sources— for the following alternatives or strategies:  
\_\_\_\_\_
  
8. \_\_\_ **Publicize:** Awareness of the Initiative can be increased through newspaper articles, newsletters, invitations to present at conferences, speaking with local officials and leaders, and other ways. I will help publicize the Initiative in the following way(s): \_\_\_\_\_  
\_\_\_\_\_
