New York Upstate Planners List

The Upstate New York Chapter of APA, with the help of the Department of City & Regional Planning at Cornell University, has developed a free email list for professional planners in Upstate New York. It is an open list but is primarily designed for professional municipal planners and discussions related to municipal planning. This email list will operate like a listserv, in which subscribers can post questions that are then sent to all the subscribing planners on the list. It can be used for distributing job postings, conference announcements, grant opportunities and other purposes related to planning in upstate New York.

The New York Upstate Planners List will provide a unique opportunity to connect planners across the upstate, central and western areas of the state together in a simple, efficient and mutually beneficial way. To join, please follow the instructions below:

Send an email message to lyris@cornell.edu with the body (not the subject line) consisting of the phrase:

subscribe NY-UPSTATE-PLANNERS-L "john doe"

Do not put any words in the subject line. You must send this message from the e-mail address where you want to receive the e-list's messages, the message must be sent in plain text (that is, no formatting, font styles, or HTML code), and your name must appear in double quotes.

Then, you will receive instructions on how to post messages to the list. For additional information about using the email list and adjusting various settings, see <http://www.cit.cornell.edu/computer/elist/lyris/index.html>

All questions can be sent to J. Justin Woods, List Manager, at jw362@cornell.edu.

Thank you, jw

J. Justin Woods, Director
Department of Planning,
Code Enforcement & Building Inspections
