

# *Tompkins County is Hiring*

Apply for the position of:

## **Housing and Community Development Planner**

Do you have a passion for housing and community development? The Tompkins County Department of Planning and Sustainability is looking for a motivated professional to work directly with developers, municipal officials, and other community organizations to implement the County's Housing Strategy to create safe, affordable and desirable housing in Tompkins County.

While the Department of Planning and Sustainability's staff of 13 professionals work collaboratively across disciplines on planning as well as policy and program development and implementation, this position primarily focuses on housing, including overseeing the County's innovative Community Housing Development Fund.

This position will be filled at either the Housing and Community Development Planner I (entry-level) or Housing and Community Development Planner II (mid-level) depending on experience and qualifications. Telework and flexible work options may be available.

**Starting Salary: \$59,820 - \$64,313**

**Working Rate Salary: \$64,958 - \$69,804  
after nine months**

Tompkins County is an equal opportunity employer, committed to fostering an environment where we lead with integrity, accountability, respect and equity. We encourage others with the same values to apply.
